WHOLE PERSON DEVELOPMENT

Like the crown that it signifies, the broadly-based, life-enriching experiences offered at St. Paul's College nurture each boy into a whole person, instilling a lasting sense of moral, social and spiritual responsibility for the world.

MESSAGE FROM THE PRINCIPAL

Located in the heart of Hong Kong, St. Paul's College is able to draw on the diverse opportunities afforded by a modern international city. The world is certainly in our pupils' hands.

Although we are the oldest English speaking school founded in Hong Kong, we are not resting on our laurels. Our commitment to academic excellence and endeavour, leadership and global participation will ensure that Paulines are well-equipped to succeed in an increasingly complex world. The twenty-first century will make ever greater demands for the qualities and values instilled by an education at St. Paul's College.

The spirit of the College is seen in the broadly-based, life-enriching experiences that encourage our boys to develop a lasting sense of moral, social and spiritual responsibility.

We look forward to inviting you into our College family.

Dr. John Kennard - Principal

THE CROWN

This is the symbol of life that God has promised to those who love Him (James 1:12) for the Christian is the child of God bestowed with a royalty that other men have not realised. However humble a mortal being's earthly circumstances, final victory is assured in the Kingdom of Christ to those who believe in Him.

THE MOTTO

Translated as 'The fear of the Lord is the beginning of wisdom', the motto, written in Chinese, embodies the historic mission of the College to offer Chinese youths a modern, liberal education in the English and Chinese languages based upon Christian beliefs and principles.

TRADITIONAL VALUES FUTURE FOCUS

Managed by the St. Paul's College Council, a body incorporated by a special ordinance of the Hong Kong Government, the College continues to uphold the traditional values encompassed in our motto but at the same time maintains a progressive outlook to equip boys to meet the changing needs of society.

MOTTO

寅畏上主是為智之本

The fear of the Lord is the beginning of wisdom

MISSION

The College is managed by the St. Paul's College Council which is a body incorporated by special ordinance. The purpose of the College as stated in the ordinance is: "the offering to Chinese youths of a modern, liberal education in the English language (but including the subject of Chinese language in the curriculum) upon Christian principles, Protestant and Evangelical, as professed by the Church of England and now continued by the Chung Hua Sheng Kung Hui#."

Now Hong Kong Sheng Kung Hui

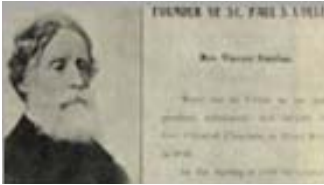

GOALS

The educational goals of the College, in accordance with its mission, may be described as:

- To cultivate a healthy attitude to life and the world and to expose boys to the Christian message.
- To inculcate civic awareness in boys and to develop them into responsible and useful citizens of community with respect for intellectual property, human rights, freedom and justice.
- To enable boys to develop their intellectual potential fully, to think logically and creatively, to study and solve problems independently, and to communicate effectively in English and Chinese.
- To develop boys' skills and abilities in Information Technology and to arouse their interest in life-long learning.
- To develop boys' physical and musical skills and abilities and to encourage enjoyment in sports and music.
- To encourage the appreciation of the arts and development of artistic talents and skills.
- To promote respect for the views and opinions of others, harmonious relationships in school, the family and the community, and participation in community affairs.
- To develop in boys the ability to cope with adverse situations and emotional problems.

HISTORY

A few years before the official founding of St. Paul's College in 1851, the Reverend Vincent Stanton, the first Chaplain in Hong Kong, opened a school where both English and Chinese were taught. The school was called St. Paul's College and was situated in Tit Kong. After the Second World War, the site which we shared with Bishop's House, was no longer adequate and the school was moved to the present site in Bonham Road opposite the University of Hong Kong.

Dr. Arnold Cheng Cheuk Sang
 Chairman of the College Council

MANAGEMENT STAFF

Spearheading the College Council is the Chairman Dr. Arnold Cheng Cheuk Sang, who with the assistance of the Supervisor Mr. Louis Pong Yuen Sun, is dedicated to giving the College his undivided and generous support. The Principal, assisted by the Vice-Principals and the Assistant Vice-Principals, is in charge of the administration of the College. Teachers are allocated to various functional roles to help plan and implement the policies of the College.

At St. Paul's, we recognise how important it is to develop our staff. Our teachers are keen to improve themselves not just in pedagogy and subject knowledge, but also in other areas such as administration and counselling. Last year, our teachers attended over 452 workshops, seminars and courses organised by the Education Bureau (EDB), Hong Kong Institute of Education and other tertiary institutions.

SCHOOL FACILITIES

Situated opposite the University of Hong Kong, the College offers a pleasant environment that is conducive to learning as well as ample facilities for the all-round development of students.

The College Library has a comprehensive collection of books to aid learning. It also provides a quiet place for boys to read books on different topics that are of interest to them. The addition of a language laboratory equipped with a network of multi-media computers and DVDs enables students to work independently or in groups to practise their speaking skills. The Computer Rooms and the state-of-the-art Computer-Assisted Learning (CAL) Centre, all equipped with high-speed internet connection, interactive whiteboards and multi-media LCD projectors, facilitate the incorporation of I.T. in learning and teaching.

The College also features two purpose-built and acoustically attuned Music Rooms to nurture boys' talents in music, two fully-equipped Visual Arts Rooms for them to use their creative skills, a gymnasium and a newly refurbished swimming pool. The Chapel is open to all members of the College for religious activities, bible reading, fellowship meetings or even quiet meditation.

The Wong Ming Him Hall was newly renovated. The Second Floor of Wong Ming Him Hall is a meeting room as well as an archive room. The First Floor is the Rehearsal Room for drama or musical performance. The ground floor with its open garden setting can be used for meetings and performances.

The College Hall was recently refurbished and a new organ purchased. The balcony can be used as a lecture theatre to hold 200 audience.

THE OPEN BOOK

This is a symbol of the Bible, God's gift to the world with all His wisdom and teachings open for us all to read. It also signifies the knowledge for which St. Paul's College offers its students as they pursue an education here.

CURRICULUM

Boys obtain knowledge from a broad range of subjects taught at the College by experienced, qualified and caring teachers devoted wholeheartedly to their profession.

MEDIUM OF INSTRUCTION

Students are encouraged to be bi-literate and trilingual at the College. All lessons, except Chinese and Chinese History, are taught in English and there are a number of native-speaking English teachers to provide a language rich environment for learning. Furthermore, Putonghua is increasingly used in Chinese lessons in selected classes to raise students' proficiency in their national language.

CLASS STRUCTURE

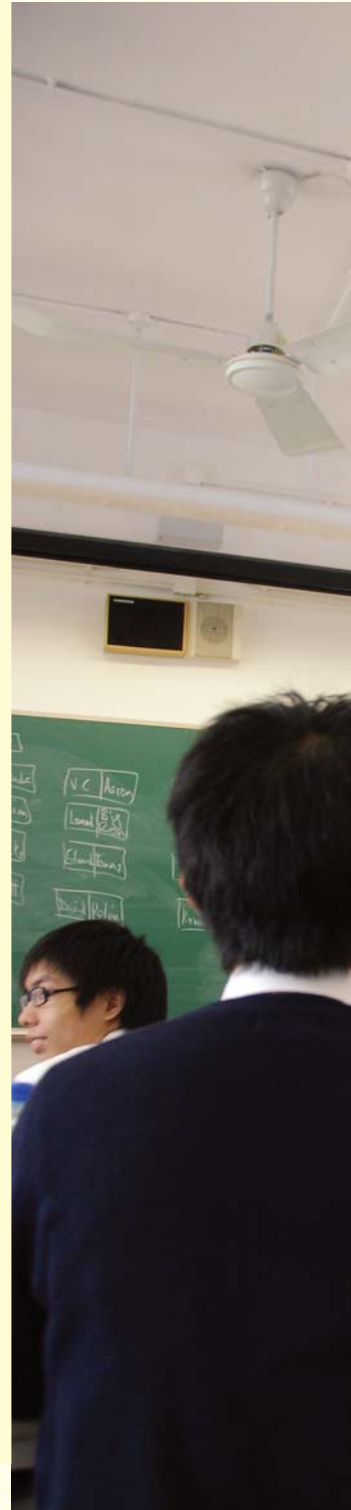

There are six classes in each of Forms One to Six, with a total of thirty-six classes. There are usually no more than thirty boys per class.

THE CURRICULUM

The timetable is based on a 5-day weekly cycle, Monday to Friday.

Forms 1-3

To help students fully develop their intellectual capabilities, the eighteen academic departments at St. Paul's provide a broad curriculum in accordance with the needs, levels and abilities of all students. Boys in Forms 1-3 follow a rigorous but balanced curriculum which constantly engages and challenges students to prepare them for more advanced learning.

* The six classes of Form One are streamed for English according to the results of the Pre-S1 English Attainment Test administered to all Form One students.

® Putonghua classes are split for more effective teaching.

Forms 4-6

Towards the end of Form 3, boys are encouraged to plan for their 3-year senior secondary course. Students in the senior forms take English, Chinese, Mathematics, Liberal Studies and three / four electives from a wide range of subjects leading to the award of the Hong Kong Diploma of Secondary Education (HKDSE). Elective subjects include:

In the spirit of providing an all-round education for students, the College requires all senior boys to study a prescribed minimal amount of physical education, music, visual arts and religious education.

St. Paul's College also offers senior students the opportunity to undertake the International General Certificate of Secondary Education (IGCSE) / General Certificate of Education (GCE). The College is now a participating school with the Hong Kong Examinations and Assessment Authority (HKEAA) to enter students for the GCE/IGCSE examinations as school candidates.

Other Learning Experiences

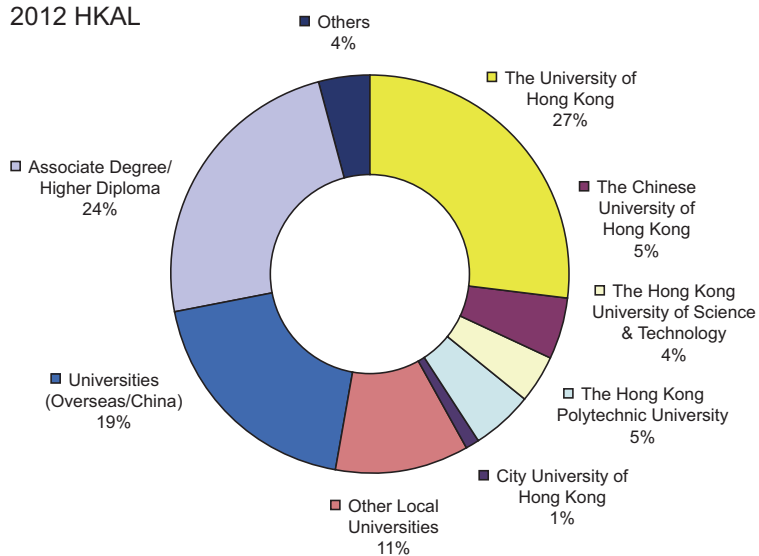

The College is committed to providing an exciting and diverse co-curriculum which involves boys in a variety of physical, aesthetic, cultural, social and spiritual experiences.

THE KEY & THE SHEPHERD'S STAFF

This symbol of care and guidance involves an active concern of the physical, social, psychological and spiritual welfare to all people – the aim of the College. Together with the key, the doors to the Kingdom of God are opened to those who wish to enter.

CO-CURRICULUM AND STUDENT CARE

In addition to developing students' intellectual capabilities, the College also aims at fostering the development of the whole person. Extra-curricular activities play an integral role in students' lives and every opportunity is provided to extend students' potential.

STUDENT CARE

The College offers a caring and supportive community to cultivate a healthy attitude to life. Teachers all work together for the spiritual, emotional and psychological well-being of the students. The Chaplain, the Guidance Mistress, the School Social Worker, and the Careers Master all play important roles in pastoral care, providing specialist guidance to students in all personal matters.

The College is also supportive of the principle of inclusive education. For many years, the College has welcomed and assisted visually-impaired students. A number have gone on to higher education and become leaders in the community.

EXTRA-CURRICULAR ACTIVITIES

Students' Association and Affiliated Clubs

The College provides an exciting and diverse co-curriculum to promote whole person development. A wide range of activities are organised by the College, the Students' Association, the affiliated clubs, as well as the Six Houses to involve students in a variety of physical, aesthetic, cultural and social experiences.

Extra-curricular activities are generally carried out under the auspices of the Students' Association (S.A.), of which every student is a member. The President of the Students' Association is elected by the students and an Executive Council is formed to take care of the operation of the Association. Some of the activities organised by the S.A. are as follows:

- The Annual Sponsored Walk
- Form One Orientation Day
- Students' Festival
- Christmas activities (e.g. Christmas carol singing and Annual School Ball)
- Science Week organised by the Science Union
- Social services (e.g. flag-selling activities, visits to homes for the elderly)
- Provision of lunch boxes
- Distribution of newspapers
- Lending of sports equipment
- Publication of the College magazine 'Wayfarer' and the College newspaper 'Scope'
- Chinese Culture Week organised by Chinese Society
- Joint School Leadership Training Camp
- Joint School Talents Show
- Leadership Training Course for SA officials

Prefects' Council

The Prefects' Council is led by a Head Prefect assisted by two Second Head Prefects. It is a body authorised by the Principal to help maintain school discipline and has an obligation to assist fellow schoolmates. Prefects are required to present themselves as role models to other students, give guidance and encourage a harmonious learning environment for other students.

The House System

The House System helps to bridge the gap between junior and senior form students and develop in boys a sense of brotherhood. Each of the six Houses, namely, Banyan, Gingko, Oak, Pine, Rosewood and Yew, comprises students from different levels. Students compete in inter-House ball games, music contests, debate matches, drama competitions, the Swimming Gala and Sports Day to score house points for their own House.

Music & Speech Training

Our boys enjoy a comprehensive music education and many of them attend instrumental classes taught by experienced and professional tutors. To enrich their musical experience, music tours are organised to take students to countries such as Japan, Belgium, Germany, Austria, the Czech Republic, Italy and Australia. In 2012, our College Choir participated in the Europa Cantat XVIII in Italy. The performance of our boys was highly commended by overseas musicians and conductors.

In addition to the annual Music Contest and Music Marathon, the Music Union also organises regular Assembly concerts for students. The College music teams consisting of the Choir, the Chinese Orchestra, as well as the College Symphony Orchestra (the few found among Hong Kong secondary schools), participate actively in various music contests including the annual Hong Kong Schools Music Festival. Outstanding achievements have been attained in both group and individual events over the years.

Boys are also encouraged to participate in speech activities, both in English and Chinese. Commendable results have been achieved in both group and individual events in the Hong Kong Schools Speech Festival. Furthermore, language enhancement tours to the United Kingdom and to Beijing are arranged to enhance students' language abilities.

Sports

Our Sports Union organises sports activities at the inter-class, inter-house and inter-school levels in collaboration with the Students' Association and the Physical Education Department. Boys are exposed to a variety of sports events including archery, hockey, swimming, water-polo, life-saving, gymnastics, judo, handball, football and basketball. Our Archery Team, Hockey Team, Badminton Team, Basketball Team and Swimming Team secure top ranks in the Inter-school Championships and many other Open Competitions. The students of St. Paul's College are always offered opportunities to have overseas exposure, both to broaden their horizons and help them absorb latest skills from foreign distinguished coaches. Such opportunities abound both within and beyond the campus.

Art

To arouse students' awareness and interest in Visual Arts, visits to local exhibitions, seminars, workshops, painting campaign, and talks by alumni are organised by the College. To maximise learning, our school engages boys in life-wide learning, which takes place outside the classroom both in Hong Kong and other countries. Students visit art museums, notable buildings and historic sights, and participate in community art workshops during study tours. Visual arts educational tour are organised to develop our students' aesthetic potential through the range of art forms available in the fast-growing creative industries of different countries.

Christian Activities

The Christian activities, encompassing a range of spiritual formation areas, play a vital role in ensuring that the goals of our College are being achieved. We encourage each individual to develop a Christian faith, achieve full potential in all areas of endeavour and develop an understanding of, and a respect for, the values of others through God's help. The College Chaplain works closely with the teaching staff to provide pastoral care to all of our boys.

Daily Assembly is a vital part of community life shared by all students. It is a time of community prayer and worship where all members of the College are invited to sing hymns and say the Lord's Prayer. A short homily is usually delivered by the Principal, the College Chaplain or other guest speakers.

The Christian Union forms the backbone of the Christian activities in the College. The ultimate goal is to ensure that our boys develop a life-affirming, ongoing faith which will help them to achieve their full potential in all areas of endeavour, not just in academics, but also in spiritual and moral formation. We hope that they will contribute to the well being of their community and develop a keen life-long pursuit of learning.

Artist-in-Residence

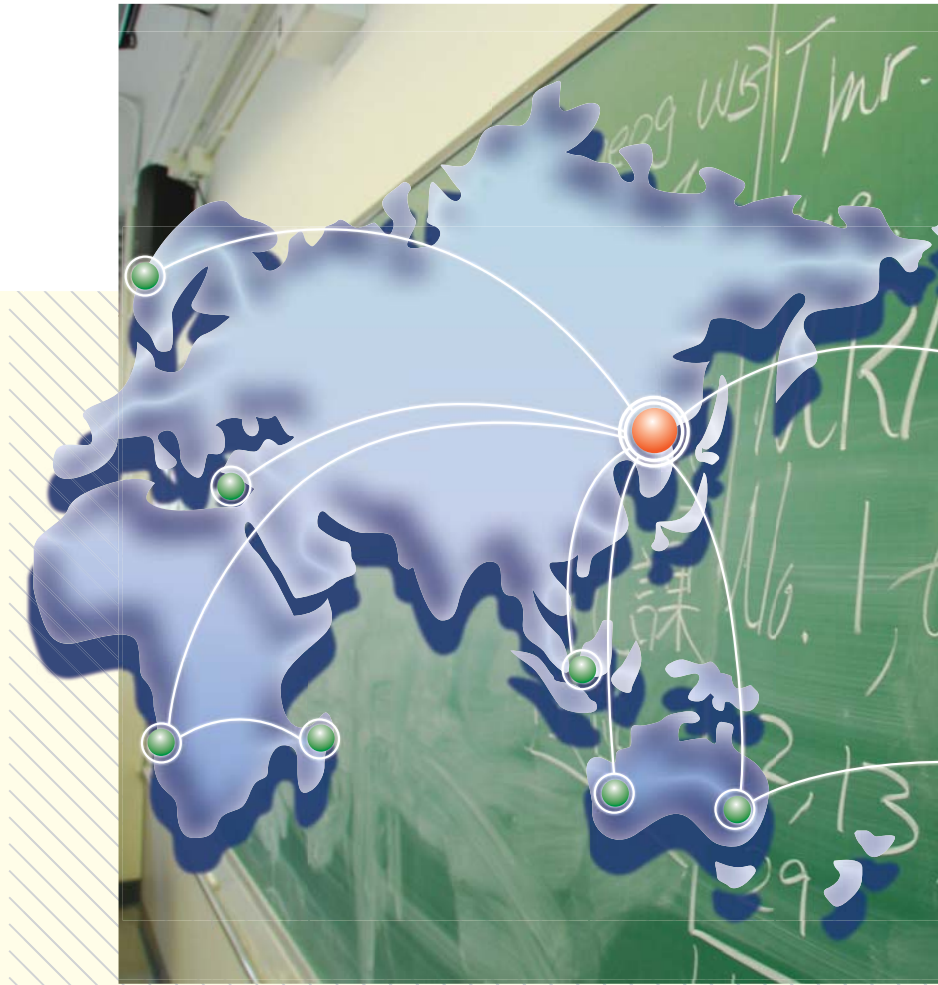

The Artist-in-Residence programme will see leading figures in Music, Art, Drama and Literature present at the College to work alongside our teachers and students. The College is delighted to have world renowned musicians and artists to lead workshops and guide students through performance and demonstration concerts. We look forward to bringing many exciting artists to the College in the years ahead through the Artist-in-Residence programme.

GLOBAL CLASSROOM

St. Paul's College recognised very early the importance of widening our students' horizons beyond the Special Administrative Region and so we launched the Global Classroom programme in 2005. Every year, a comprehensive programme of overseas visits accompanied by our own teachers is organised. In the past year alone, the College conducted 13 student tours and 1 teachers' visit to various countries around the world.

Under the Direct Subsidy Scheme, opportunities for overseas visits will be further enhanced. In addition to the Global Classroom, student exchange programmes will be arranged with twin schools overseas and in China.

THE SCALLOP SHELL

A sign of pilgrimage and a symbol of baptism, the scallop shell signifies new life. Students at St. Paul's are people on the move, inspiring others with new ways of thinking and accomplishing formidable feats wherever they go.

BREEDING GROUND FOR EXCELLENCE

Our graduates take up leading roles in society serving Hong Kong in such diverse areas as politics, government, religion, education, medicine, law and social welfare.

Our graduates, also known as Paulines, often play very significant roles in various sectors in Hong Kong society such as politics, government, religion, education, medicine, law and social welfare. We pride ourselves in having produced many prominent figures who, throughout the years, have contributed much to Hong Kong and their Alma Mater.

The current Paulines continues to excel. Both our current students and alumni who are currently in tertiary education have achieved high standards in various academic disciplines and extra-curricular endeavours.

Alan Wang Hoi Lun (5F, 2009) obtained six As in the GCE-A level Examination and studied for a Bachelor degree in Natural Sciences at the Trinity College, University of Cambridge, UK in September 2009 and graduated with first class honour in 2012. He is now studying a Master degree in Finance at Princeton University in USA.

Our students have been actively participating in the Joint-School Science Exhibition (JSSE), an exhibition cum competition started 40 years ago by our alumnus Dr. Ian Chan Yau Nam (1967) and Professor Alex Law Sai Kit (1967). Boys received a number of awards in 2012 JSSE.

LOCAL COLLEGE INTERNATIONAL NETWORK

The brotherhood of St. Paul's and the love of Christ are extended to all in the College family.

ST. PAUL'S COLLEGE ALUMNI ASSOCIATION (SPCAA)

The Alumni Association, gives unfailing support to the College.

St. Paul's College has had its own "Old Boys Union" since the 1920s. First established to help Paulines maintain ties with their Alma Mater, it was only after the end of World War II that this union was formally named "St. Paul's College Alumni Association" (SPCAA). The major aims of the Association are to foster a stronger sense of brotherhood among alumni and establish closer connections with the Alma Mater. Over the years, the Alumni Association has been very active in helping the College and student development. These include raising funds for the expansion of the College, setting up scholarships for students and organising activities benefitting the boys.

The SPCAA organises many events and activities to provide opportunities for students and alumni to get together and share the joy of being lifetime members of the College family. Recent activities include:

- SPCAA Mentorship Scheme
- Annual Dinner
- Eco-tourism Trip
- Football and basketball matches
- Monthly meetings/gatherings
- Circulation of "News from St. Paul's", a publication for alumni and friends of SPC

THE CROSS

.....

This symbol of sacrifice is also the symbol of the love of Christ that lives on and conquers all. When we love God, we love our neighbours as ourselves.

.....

PARENT TEACHER ASSOCIATION (PTA)

The Parent Teacher Association, established in October 1994, aims to promote close liaison between the College and home. It helps to foster friendly relations between parents and teachers and among the parents themselves. The PTA Newsletter is published twice a year to bring parents up-to-date news on current College events. Activities such as the Joint-School Parent Education Workshop, educational talks and parent-child voluntary service are organised for parents. The PTA also plays an active role in different College events including the Annual Swimming Gala and the Sports Day.

ST. PAUL'S COLLEGE PRIMARY SCHOOL

Governed by the St. Paul's College Council, St. Paul's College Primary School is a whole-day primary boys' school affiliated to St. Paul's College under the Direct Subsidy Scheme. There are a total of 6 levels from Junior Class 1 to Junior Class 6 with 3 classes at each level. Currently, the School has 60 staff members including the Headmistress, the deputy head, the assistant deputy heads, senior teachers, full-

time teachers, native-speaking English teachers, a librarian, a student guidance counsellor, I.T. technicians, clerical staff and janitors.

The new Primary School building, located junction at the of Pokfulam Road and Victoria Road, will start its operations in January 2013. The new campus will house twenty-four standard classrooms, six small teaching rooms, an assembly hall, two computer rooms, two

music rooms, two language rooms, two science rooms, a media studio, an art room, a chapel, a library, a parent resource room, a student activity room, a guidance activity room, two playgrounds - one covered and the other open, multi-purpose areas, two green roofs and a big nanny-bus parking lot. Funds are now being raised to build a swimming pool.

St. Paul's College Primary School works closely with St. Paul's College to build stronger ties for the common goal of "One College, One Family."

TWIN-SCHOOL PROGRAMME

In line with the vision of the Global Classroom, the College has formally established a Twin-school Programme which aims at widening our students' global perspectives and building links between teachers and students of leading schools around the world through various exchange activities and mutual visits.

Our first endeavour in the twin-school programme is the establishment of our relationship with one of the most highly acclaimed schools in China – the High School Affiliated to Shanghai Jiao Tong University (上海交通大學附屬中學). The signing ceremony for the twin-school relationship took place in Shanghai in March 2007. It was then followed by a cultural exchange visit to the school in April 2007. Another twin school link was established with the High School Affiliated to Xian Jiao Tong University (西安交通大學附屬中學) in September 2009.

We are now exploring other reputable schools in Beijing, Singapore, Japan, Canada, the United Kingdom and the United States as the next stage in our twin-school programme. We believe these links will benefit our boys and teachers in the years to come in the form of exchange programmes and collaboration on various projects.

MEMBER SCHOOL OF THE INTERNATIONAL BOYS' SCHOOLS COALITION (IBSC)

St. Paul's College is a member school of the International Boys' Schools Coalition (IBSC). Our Principal, Dr. Kennard, has been appointed the Vice President and currently sits on the Board of Trustees (2008-2014) of IBSC.

Founded in 1995, the IBSC is a non-profit coalition of independent, parochial and public schools from around the world dedicated to the education and development of boys, the professional growth of those who work with them, and the advocacy and advancement of institutions that serve them. Current IBSC member schools include Eton College (Windsor), Dulwich College (London), The King's School (Sydney), Scotch College (Melbourne), The Roxbury Latin School (Boston) and Trinity-Pawling School (New York).

St. Paul's College is a school sponsored by the Hong Kong Sheng Kung Hui. The mission of the College is defined by the six distinct symbols that make up the College badge.

Each of these symbols represents a different area of focus, and together they direct and guide the College in its educational role to develop each student into a respected member of society.
